**Country:** Kenya

**Location:**Central Province Kariti

**Average altitude:**1495 meters above sea level

**Harvest time:**August - December

**Supplier:**

**Specification:**Washed, fair average quality

## ROASTING & BLENDING

**Degree roasting:** light to medium roast

**Blends:** Due to the specific flavour profile, we recommend to use this coffee as a single origin.

### **Cupping coffee sample:**

Very intense flavours of rose hip, orange and cranberry accompanied by a lovely honey-noted sweetness and a silky body.

### **LOCATION OF COFFEE PLANTATIONS**

Kenya A
